

GROUP SALES OFFER

The EnCana Events Centre is pleased to present our Group Sales Program to you, our valued entertainment guest.

What is a group?

Anyone can be considered a group. Whether you are a company, organization, church group, youth group, minor sports association, or family and friends, we want to provide you with a great entertainment experience.

Benefits

- **Personal One-on-One Service:** Avoid standing in long ticket lines; we can process your orders by phone, mail, e-mail, or appointment. This one-on-one relationship provides you with expert assistance in planning an enjoyable group outing!
- **Advance Reservations Before Public On-Sale:** Group Sales customers may call our office and place an order today for tickets that may not go on-sale for months to the public. Seating is based on first-come, first-serve basis (accompanied by payment)
- **Prime Seating at a Discounted Rate:** By ordering through the Group Sales Department, you will be eligible for a discounted price on tickets to selected events at our facility.
- **No Individual Ticket Service Charge:** Avoid individual ticket costs. \$10.00 fee per order will be charged, however no additional charges no matter how many tickets you purchase per order.
- **No Penalty for Changing Orders:** As a group leader you may not know exactly how many tickets your group will need. The program allows you to purchase only the tickets that you need. You can place tickets on hold today for an event that is coming to the EnCana Events Centre in the future.
- **Promotional Materials:** We can provide you promotional templates for newsletters, along with posters, flyers, and/or handouts.
- **Special Events:** Offer great hospitality! Dinner and or Party package can be provided for all special occasions such as birthdays, team development, wind-ups, anniversaries, to name just a few... We can tailor to meet your needs!
